

VOLVO

Volvo Reman Parts

TURBOCHARGER KITS AND ACTUATORS

When it comes to servicing your engine, Volvo Reman puts quality before price. Don't run the risk of more downtime by not using the highest quality components. Choose the factory quality that only Volvo Reman can provide.

- Completely remanufactured in North America
- Remanufactured to latest Volvo requirements including all engineering enhancements
- Turbocharger kit also includes the mounting and installation parts
- Comes with a one-year / unlimited mile warranty covering parts and labor when installed by an authorized Volvo dealer. Warranty terms apply.

Volvo Reman Turbocharger Kits are ready for installation, with actuator and hardware included.

Volvo Reman Turbo Actuator

Delivering premium reliability, durability and performance

The Perfect Replacement Choice

The Volvo Turbo Actuator for Volvo D11, D13 and D16 engines is built to perform.

- Remanufactured in North America by certified Volvo Reman processes
- 100 percent disassembled and cleaned using an ultrasonic cleaning process
- 100 percent new circuit board
- 100 percent new harness and connector
- 100 percent new gaskets
- Latest software updates
- 100 percent tested to OE specifications

And the most important feature of all — it's 100 percent Genuine!
